Taking a Break from your Studies

If you are considering taking a break from your studies **whilst you are enrolled**, you need to seek:

- financial advice - if you are publicly supported (i.e you receive SLC funding support) any break in studies will count as a year of student funding and you may not be entitled to benefits in the period you are not studying, please seek advice from our Advice, Information and Funding Service (AIFS) based in Student Services. Email: advice.studentservices@londonmet.ac.uk or contact your Student Hub for an appointment with the AIFS team.
- academic advice from your Personal Academic Tutor (UG students) or Course Leader (PG students) - to ensure that there are no academic impediments which could impact upon your return to studies.
- If you are a Tier 4 student a break from your studies will have immigration implications, therefore you must seek advice from the International Student Advice Team before making your decision. Please email: adviceinternational@londonmet.ac.uk

You should note that during an approved break you will not be eligible to sit examinations, submit coursework or undertake any other form of assessment.

The maximum period permitted for a break in studies is one year. An exceptional request for a second year will be presented to the Dean of Students/Academic Registrar for consideration. The maximum period of registration for all courses includes all approved breaks in study:

- the maximum period in which to qualify for an Honours degree (including any agreed breaks) is eight years;
- the maximum period in which to qualify for a Postgraduate degree (including any agreed breaks) is six years.

Submission deadlines:

If you wish to Take a Break from your Studies (once you have enrolled) you must submit your completed form by:

- For September starters: 31 December or 31 March
- For February starters: 31 March or 31 June
- If you are encountering difficulties after these deadlines, please contact your Student Hub who can advise on the support and options available to you.

Refund entitlements:

- Requests received by 31 December for September starters (and 31 March for February starters) will attract a 75% refund.
- Requests received by 31 March for September starters and (31 June for February starters) will attract a 50% refund
- If you are a part-time Undergraduate student or a Postgraduate student you should consult the University's Fees Policy in respect of any refund you may receive if you choose to take a break in your studies.

The Full University's Tuition Fee Policy is available here:
