

Hardship Support Fund 2016/17:

Guidance Notes for Summer Fund

A. What is the Hardship Support Fund?

A.1. The Hardship Support Fund provides financial support to help you access and remain in Higher Education, It can help alleviate unexpected financial hardship during this period. Hardship Fund payments can be used to help with course-related costs such as childcare; books; materials; travel and general living costs, such as rent, food, and utility costs.

A.2. Payments can also be used to meet exceptional costs, such as repairs to essential household equipment, assistance with reasonable priority debts, and other emergency situations which arise.

A.3. The fund is not designed to meet the cost of tuition fees nor unreasonable and foreseeable debts. You will need to explain any of the above reasons in your personal statement.

A.4. An award from the fund is not an entitlement. Awards from the fund are made in cases of extreme hardship only. Students are therefore encouraged not to rely on the Fund as an alternative source of annual income. You should therefore seek alternative sources of income, as an award is not guaranteed.

A.5. Please note that you will speed up the application process by completing all of the form clearly and accurately and by submitting all your supporting evidence,

Important - please pay particular attention to the text printed in red.

B. Who Can apply to the Summer Fund?

B.1. You can apply if you are a 'home' **non final year student** on:

B.2. A enrolled Undergraduate course, full-time or part-time, including a degree course, foundation degree, sandwich course, HND or HNC or

B.3. A enrolled Postgraduate course, full-time or part-time. If you are self-funded you are expected to have made adequate and realistic provision at the start of the course to cover your tuition fees and living costs. Where you have clearly not done so, a payment from the Fund will not be made.

B.4. A "Home" student is defined as a student with unrestricted right to remain in the UK for at least three years prior to the start of his or her course, and who is not here primarily for educational purposes. This will have been assessed when you enrolled. You must fulfil this condition.

However you are not considered as a priority within the guidance and therefore may only be considered at the end of the year, funds permitting.
