Background

- London Metropolitan University is one of the foremost providers of undergraduate, postgraduate, professional and vocational education and training in Britain, providing quality education since 1848.
- The University is No 1 for highest graduate starting salaries among modern universities.
- Over 50+ clubs and societies to join. (*link to Student Union pages*)
- London Met has the largest teaching science lab in Europe. (*Link to Super Lab*)
- The University formed in 2002 following the merger between London Guildhall University and the University of North London.
- c12,000 students.
- Over 50% of our current students are from within 7 miles of the university campus.
- Over 50% of our current students are from minority ethnic communities, compared with 20% of students nationally.
