**PARKER-KNOLL**

**comfort**

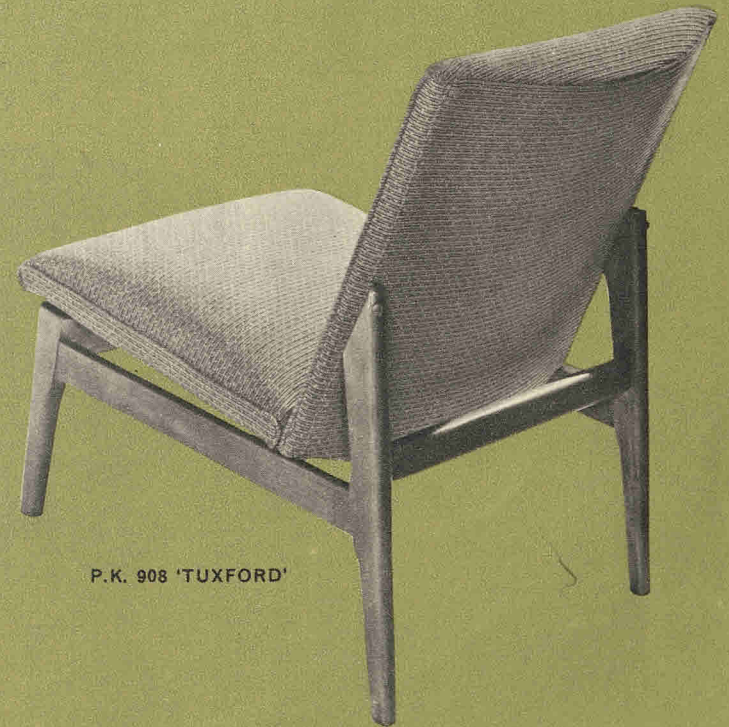

*Some of the new models by Parker-Knöll, all of which  
have been designed to make you say with more than  
the usual fervour 'It's nice to sit down.'*

Among the Parker-Knoll examples shown in this folder, you will meet no less than eleven new models (several with matching settees), as well as many established favourites. Every one of them is a haven of comfort in a troubled world. You can be sure of finding a good selection of these famous chairs at your local furnisher's and, of course, the full range can always be seen at any of the Parker-Knoll Showrooms. These are listed on the back of the folder.

# TEXTILES

Parker-Knoll fabrics are unusually attractive. Did you know that you can buy them by the yard so that you can cover your other furniture to match your Parker-Knoll? Those misguided people who have not yet invested in Parker-Knoll comfort can still have the freedom of our fabrics for covers and curtains. Any Parker-Knoll dealer will be pleased to show you patterns.

LOOK before you BUY

Parker-Knoll are flattered by many imitators. To make sure that you are buying a genuine Parker-Knoll, look for the name-tape along the seat frame. This is your guarantee of first-class design and finish —  
*Parker-Knoll have comfort taped.*
