PLENTY OF PLACES TO PARK

In this folder you will find some dozen of perfectly splendid parking places for the human frame . . . all ready for you to back into, switch off and settle down.

Some of the chairs and settees illustrated show a strong traditional influence; others are as up-to-date as this morning's headlines. There are models to suit every taste, every room and every budget; also a wide choice of coverings. Wood finishes can be supplied to your precise requirements.

Your local furnisher is sure to have a good selection of Parker-Knolls and the full range can always be seen at any of our own showrooms. These are listed overleaf.

TEXTILES

Parker-Knoll Fabrics are unusually attractive. Did you know that you can also buy these superb fabrics for curtains, cushions, or covers for the rest of your furniture? You can dress any room in your home with the elegance of P.K. fabrics—and it need not be expensive. The range runs from the modestly priced 'B' grade fabrics, through 'A' and 'S' grades, to sumptuous 'P' grade materials. Ask your Parker-Knoll dealer for full details.

Our programme of continuous development makes it necessary for us to reserve the right to revise, without notice, prices and detail specifications.
