CORNWELL-NORTON

The celebrated 'Norton' Recliner that has proved such an outstanding success. By gently pressing backwards the Recliner adjusts itself to any of three positions — to match your every mood. Luxuriously upholstered and incredibly comfortable this chair sets new standards for relaxation

N.30 Norton Recliner

*A*n expensive luxury suite for the connoisseur, designed to match and complement our successful Recliner chair. The Norton was developed and built for the person who demands the very best in modern furniture
N.31 N.32 Norton suite
(also N.43 a new 4-seater settee)

A modern, extremely comfortable fully upholstered suite of low, generous proportions that will fit happily into the smaller sitting room. Shown here in just one of our new range of bouclé fabrics

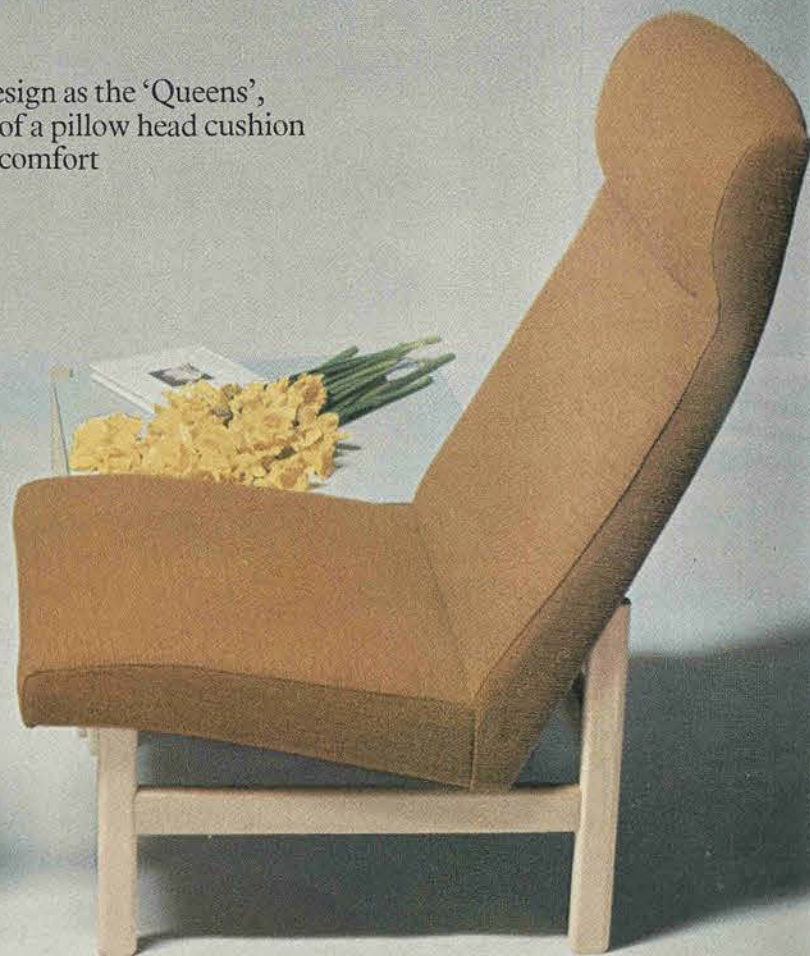

N.40 N.39 Tabor

Generous in size and deeply upholstered;
the Gitana Suite combines
elegance of line with highest standards of comfort
N.35 N.36 Gitana suite

The same basic design as the 'Queens',
but with the addition of a pillow head cushion
for that 'Little Extra' comfort
N.29 N.27 and N.28 'Kings'

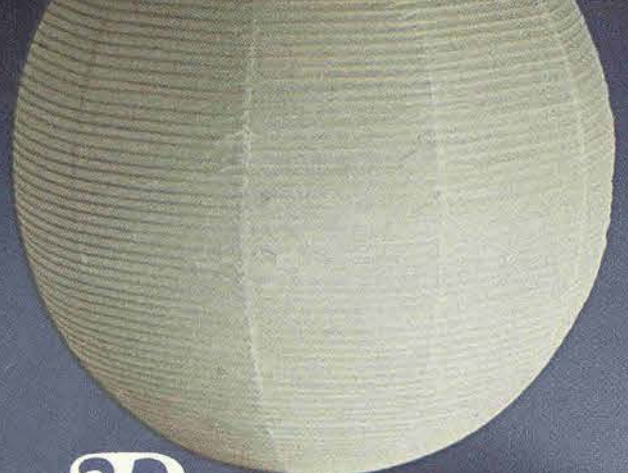

A delightful range of inexpensive occasional chairs that will fit into any setting. Shown here covered in Tangerine, they are all available in the exciting new range of Cornwell-Norton fabrics. The timber frames are available in Natural Afromosia, or Beech finished in as Natural, Mahogany, Light Mahogany, Teak, Dark Finish or Ebonised
N.25 N.24 and N.26 'Queens'

Simple, well-made, extremely comfortable these chairs reflect the clean composed lines of the best modern architecture. Elegant laminated inner structures contrast with the severity of the Natural Beech frames. All cushions deep foam (seats latex) versions are available with a pillow head cushion. Frames are in Beech, finished Natural, or as Teak or Mahogany. Coloured lacquer finishes can be supplied in Grey, Red, White, Sea Green or Ebony to special order

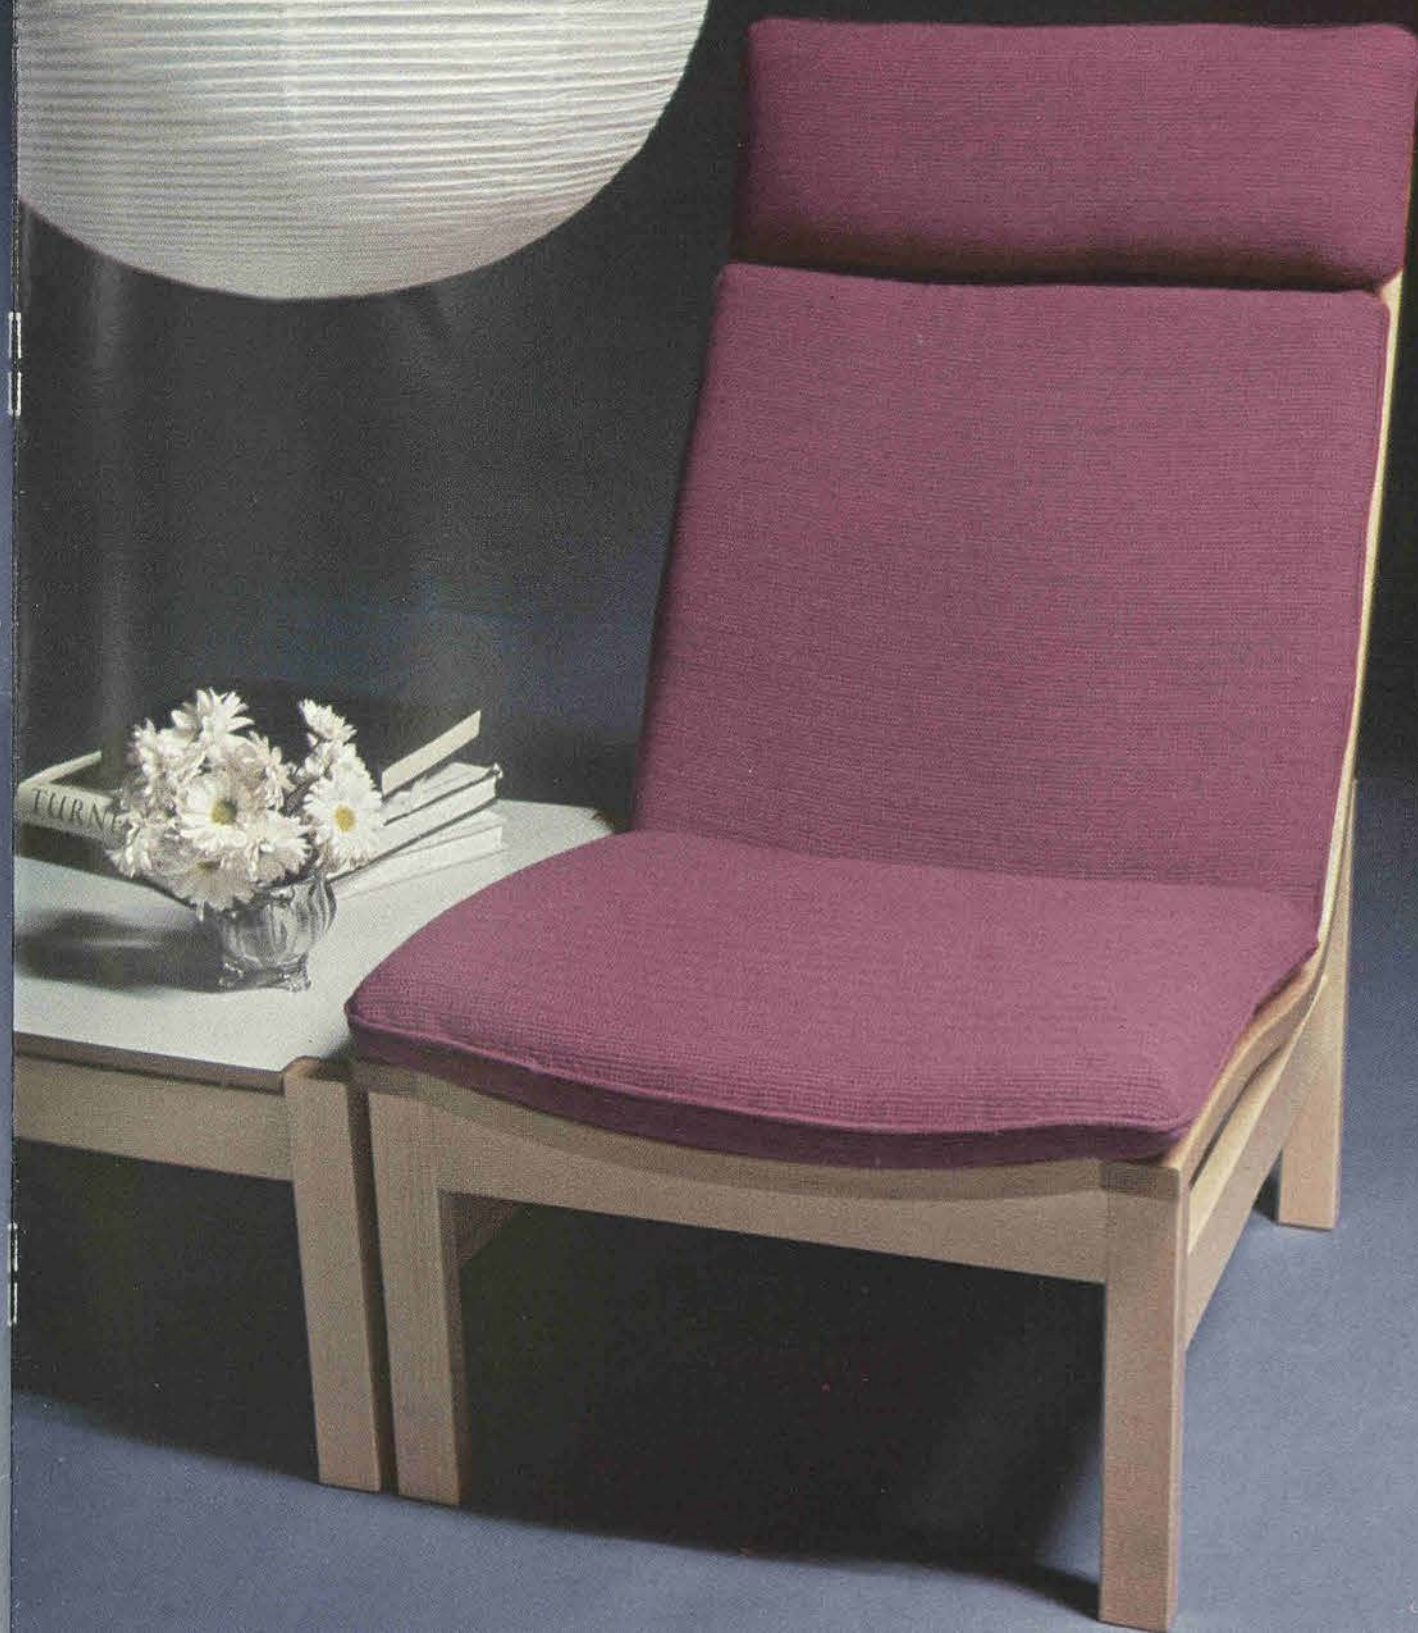

N.10 Compton, N.14 Compton Settee & N.12 High Compton

Basically a 'no-arms' version of the Compton models. The N.13 model has a pillow head cushion of deep latex foam, supported by an extension to the laminated inner structure. Frames in Natural Beech, finished as Teak or Mahogany, also available coloured lacquer finishes. Special joining clips are available at a small extra cost

N.11 Conway and N.13 High Conway

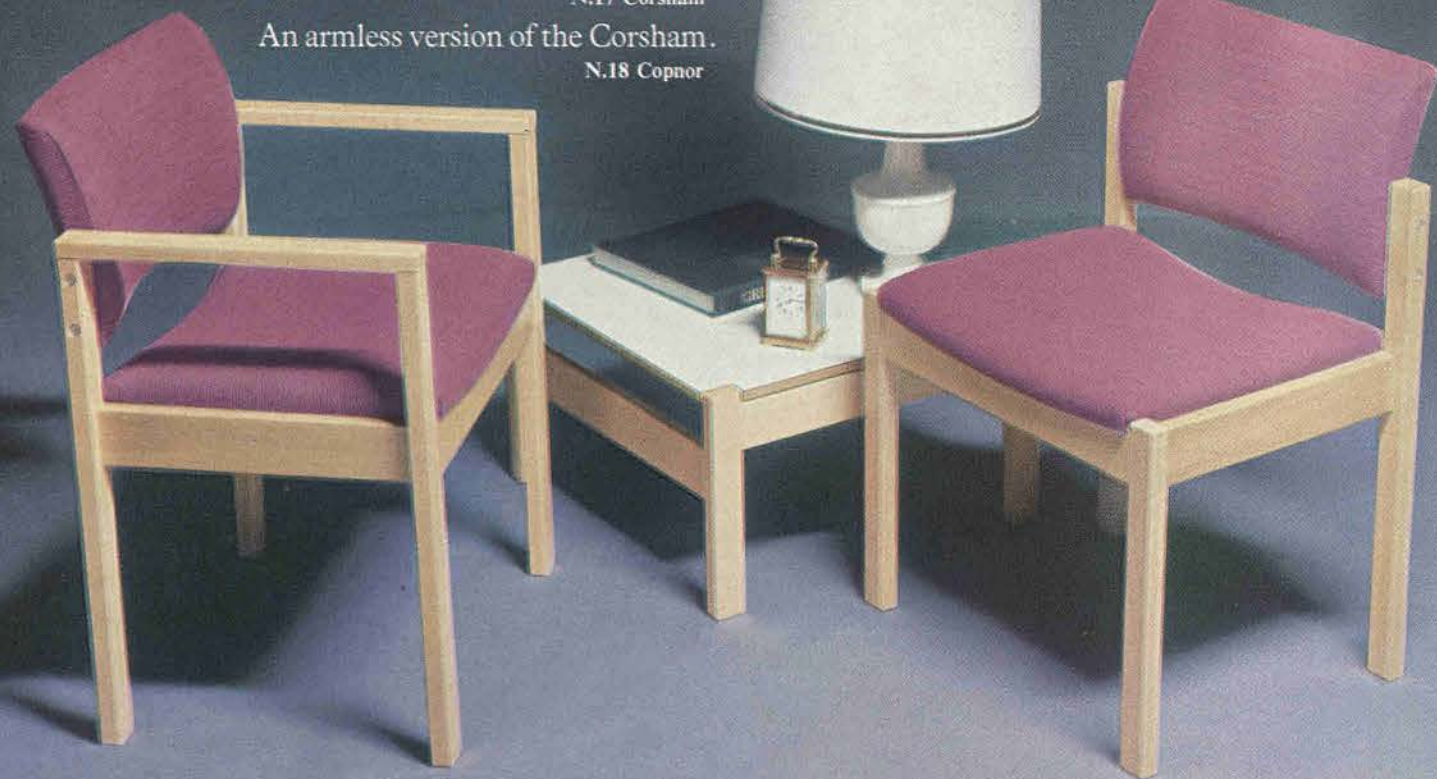

The Corsham chair is an elegant design suitable for the desk or table. Polyether foam cushion and correctly shaped back support give a standard of comfort rarely achieved with this type of chair.

The frame is Beech

N.17 Corsham

An armless version of the Corsham.

N.18 Copnor

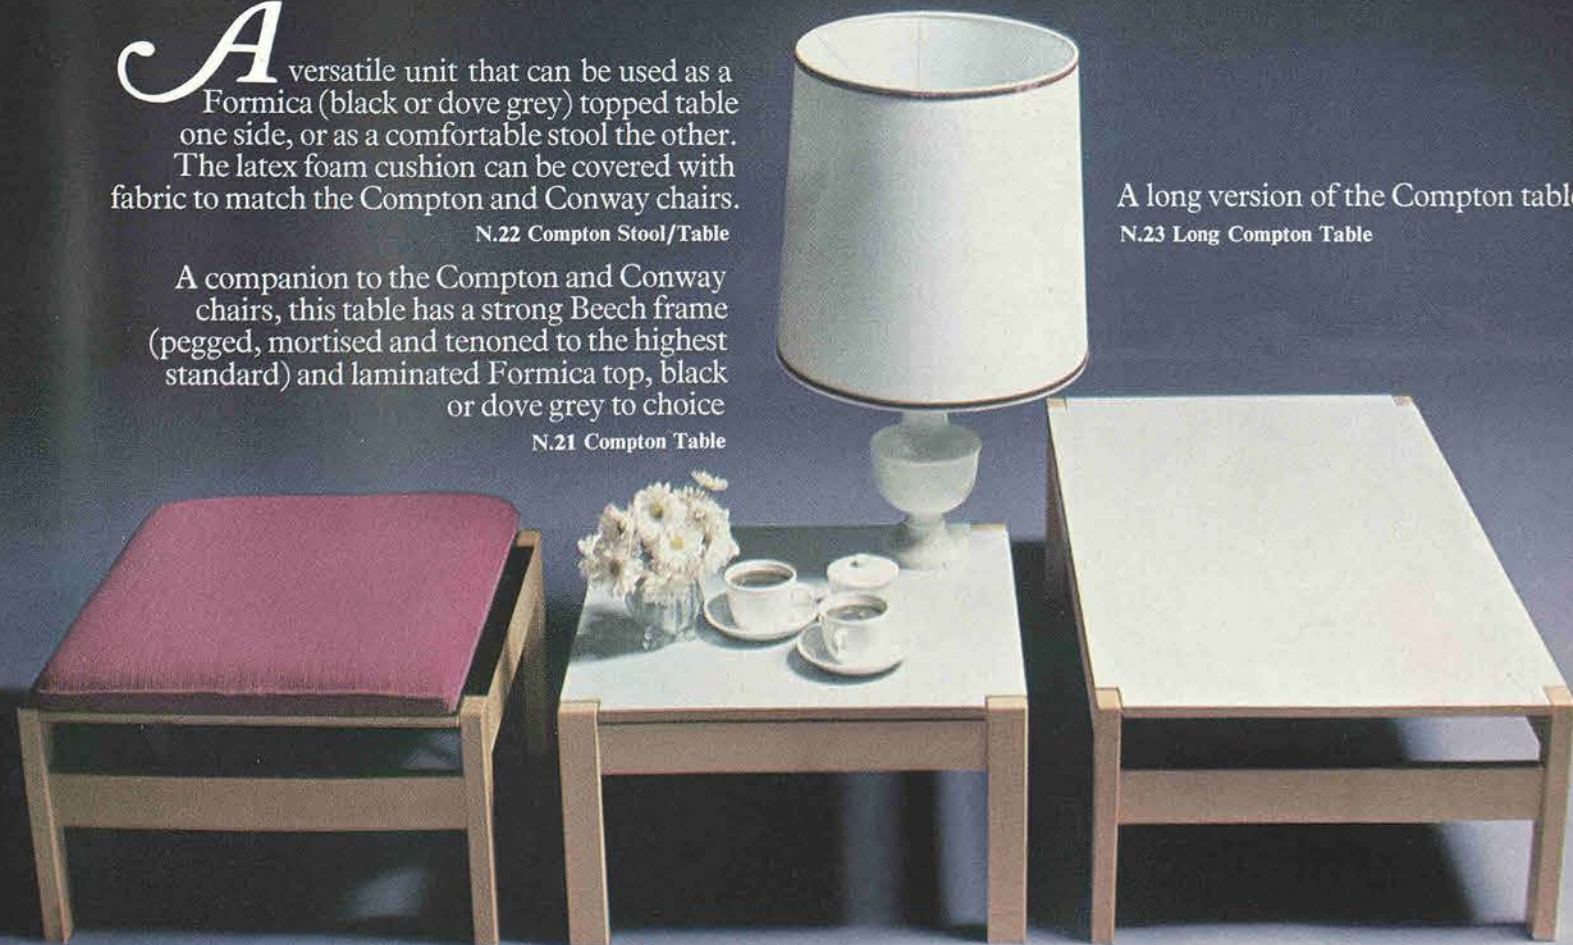

A versatile unit that can be used as a Formica (black or dove grey) topped table one side, or as a comfortable stool the other. The latex foam cushion can be covered with fabric to match the Compton and Conway chairs.

N.22 Compton Stool/Table

A companion to the Compton and Conway chairs, this table has a strong Beech frame (pegged, mortised and tenoned to the highest standard) and laminated Formica top, black or dove grey to choice

N.21 Compton Table

A long version of the Compton table.

N.23 Long Compton Table

A comfortable fully upholstered chair, large enough for the man of the house, yet styled with a simplicity that fits into the modern interior with complete harmony. Finishes are; Natural Beech, Teak, Light Mahogany, Mahogany, Dark Finish or Ebonised to choice
N.100 Cavatina (also N. 101 3-seater settee)

This chair has been designed for those who like a high seat, and particularly firm back support

Cornwell-Norton **L**ong lasting comfort

As with our parent Company, Parker-Knoll Limited, quality and long lasting comfort is the hallmark of Cornwell-Norton furniture.

Cornwell-Norton chairs and settees not only bring you the lightness, strength and comfort of modern techniques in construction, they bring the very best in advanced design, as typified by the choice of exciting lacquered colour frame finishes available on our Compton and Conway ranges.

All Cornwell-Norton furniture is built to the highest standards, which will ensure a Cornwell-Norton chair or settee will be as supremely comfortable in years to come as it is on the day you buy it.

Cornwell-Norton **F**urnishing fabrics

Each year Cornwell-Norton take great care in selecting exciting new additions to their distinctive range of high quality fabrics. This is done to keep abreast of the latest trends in interior design, and ensure that Cornwell-Norton furniture looks right in even the most modern interiors.

Various tests are carried out on all our fabrics, including tests for resistance to abrasion and colour fastness. They are only used if they pass all tests to the high Cornwell-Norton standards.

Your local quality furniture shop will be pleased to show you their selection of Cornwell-Norton models, these can also be seen at the Parker-Knoll showrooms.
