A black and white photograph of a woman with dark hair and large eyes, lying on her side on a large, white, plush cushion. She is looking directly at the camera with a slight smile. Her right arm is resting on the cushion, and her left hand is visible near her waist. The background is dark and out of focus.

ANY COLOUR ANY FABRIC

Any Cornwell-Norton chair or sofa you choose is made up to your individual order. You can choose, as most people do, from an extremely wide and up to date range of our own fabrics, modern and traditional. These include tapestries, velvets, brocades, tweeds, flat weaves, real and imitation leather, all in an exceptionally good choice of colours.

Or you can, if you wish, give us your own fabric and we will make an allowance. Special effects such as two-colour combinations can be specially ordered, for an extra charge.

All our fabrics are tested for colour fastness and resistance to abrasion. Ask to see the full range of Cornwell-Norton fabrics when you are looking at our furniture.

Both our furniture and our fabrics can be seen in good local furniture shops and also at the London or High Wycombe showrooms of our parent company, Parker-Knoll whose famous high standards we have made our own.
