

Careers information resources for postgraduate students

The list of resources below is designed to help you as a postgraduate student with your career planning. There is a section on academic job sites as well as general job sites.

If you would like to come in to talk to one of our Careers Consultants for advice and guidance with your future career, including help with your job applications or CV, please call us on 020 7320 2380 or [email careers](#) to book an appointment.

You can use our service for up to three years after graduation if you need to.
